Gently Used Book Swap

When: During the Celebration of Learning

May 26th, 2022 and the week after.

Why: To get gently used books into all students' hands for the summer. If you have old children's books you are not reading anymore and want to bring them into school for a book swap then this is a great opportunity for you.

How: Clean out your old gently used children's books and bring them into the library next week. I will try to organize them by type of book and level of reading for the open house on 5/26.

Please think about Early chapter books, chapter books and any old graphic novels. All books are welcome. I will donate all books leftover.

This can be an excellent resource for your kids to pick new books for summer reading.

JUNE 3rd, 2022

It's that time of year again! The last week to check out books in the CES Library is Monday 5/23- Friday 5/27.

Could you use extra money for food? SNAP can help.

SNAP = \$ for food. The financial burden from the pandemic has been a roller coaster of ups and downs affecting us all in different ways. SNAP has been a steady and reliable source to extend your budget throughout these times of uncertainty. With gas prices skyrocketing and food prices through the roof — we could all use a little extra money in our pockets! Once enrolled, your SNAP benefits are put onto a card each month. You'll use this card just like an atm or bank card and it's accepted at most supermarkets, convenience stores and some farmers' markets. **SNAP is for everyone** — families, seniors, disabled, employed, unemployed, veterans, and active military.

Our Neighbors' Table makes it easy to apply for SNAP. We will help you apply for SNAP over the phone — there's no need to come in!
