

INCOMING 6TH GRADE SIX SUMMER READING ASSIGNMENT

ALL SIXTH GRADE STUDENTS ARE EXPECTED TO READ TWO BOOKS

1. RESTART BY GARY KORMAN
2. ONE BOOK OF YOUR CHOICE FROM THE SUMMER READING LIST

6TH GRADE SUMMER READING ASSIGNMENT

As a way to be connected even before the school year begins, the sixth grade team has opted for students to read a required text, **Restart** by **Gordan Korman**, as well as at least **ONE** choice book from the attached list. By reading the same book, students will have shared a common experience that can jumpstart our year by providing an opportunity to focus on a specific theme. Please keep in mind that even though only two books are required, we encourage you to set a personal reading goal, and read as many books as you can! The summer reading list is a great place to start! If you read a little every day, you should reach your goal and you might even enjoy it.

Rather than arm you with a list of questions and activities, we are asking you to read the book and then tap into your creativity and imagination to come up with a project that reflects the theme of the book. In September you will bring your project to school and share it with your classmates. We will provide you with some ideas, but you may think of an original project.

WHAT DO YOU NEED TO ACCOMPLISH OVER THE SUMMER?

- Read *Restart* by Gary Korman
- Read a book of your choice from the reading list
- Read the link below on theme
- Think about the theme of the book (we want you to come up with this on your own)
- Complete a creative project of your choice
- Come to class in September with your project
- Be prepared for an assessment/discussion on the book
- In September you will be asked to share a few details about the choice book (2nd book) you selected from the list
