Respect, Responsibility and Reflection

April 3rd, 2020

Dear Cashman School Families,

In response to our government officials' call for us to limit potential gatherings, travel and any unnecessary movement, we must regretfully cancel the parade that we had scheduled for April 9, 2020 at 10:30am.

We know that many of you were really looking forward to it, but hope you can appreciate the need to cancel it at this time.

Sincerely,

Karina Mascia- Fayles and the Cashman Teachers and Staff
