Virtual Auditions for Melody Club

2020-2021

We are not about to let 2020 stop us from singing!

The AMS Melody Club is the auditioned choral group open to all students in Grades 5-8. Students in all grade levels and cohorts (regardless of having music right now with their cohort) are welcome to audition. Students will be evaluated based upon maintaining pitch/singing on-key (since our group sings songs in multiple parts and holding one's pitch/part is important), vocal range and tone, musicality, and overall confidence.

Students wishing to audition should sing 1 minute of the song of their choice, or “Happy Birthday” as a Flipgrid video response. **Submissions must be made NO LATER THAN Sunday, November 15 at midnight.**

To those of you who are missing the opportunity to choose band or chorus right now- I HEAR YOU! Mr. Fijalkowski and I cannot wait until we have the opportunity to make music again during the school day. Spaces in the Melody Club are, unfortunately, limited. This is, traditionally, a smaller, select group of students who have demonstrated a higher level of music performance and desire to work hard.

As ever, I am a firm believer that ALL CHILDREN CAN SING, so I appreciate everyone who submits a video audition at this time. I will make my final decisions regarding Melody Club 2020-2021 before Thanksgiving break. Please be prepared to make a YEAR-LONG commitment to rehearsals (whether virtual, in-person or outdoors in a snowsuit if necessary:) on Wednesday afternoons at 2:30.
