

ATTENTION ALL PARENTS/GUARDIANS AND STAFF:

Please review the following checklist of symptoms prior to entering any school building each day.

Does the student or staff person have any of the following symptoms?

- ☐ Fever (100.0° Fahrenheit or higher), chills, or shaking chills
- ☐ Cough
- ☐ Difficulty breathing or shortness of breath
- ☐ New loss of taste or smell
- ☐ Sore throat
- ☐ Headache *when in combination with other symptoms*
- ☐ Muscle aches or body aches
- ☐ Nausea, vomiting, or diarrhea
- ☐ Fatigue, when in combination with other symptoms
- ☐ Nasal congestion or runny nose *when in combination with other symptoms*

If so, please stay home, call your doctor, and get a Covid-19 PCR test. Please leave a detailed message on your school's sick call line. A negative Covid-19 test and 24 hours fever free without use of medication and improved symptoms are required to return to school.

Any individual who enters a school building with symptoms will be sent home immediately.

Parents of students are asked to provide 4 contact numbers for a responsible adult to pick up your child in a timely fashion in the event of illness.

Thank you for your assistance with keeping our school community healthy during these unprecedented times.

Kind regards,

Rita O'Neill RN BSN NCSN

SCHOOL LUNCH DURING THE HYBRID MODEL October 14, 2020

During the Hybrid Model of Learning, the Amesbury Public Schools will continue to serve breakfast and lunch to ALL students at no cost to families as directed by the Department of Education. We have been very successful in our current model of providing breakfasts and lunches to families each Monday and Wednesday served in a drive-up model at Amesbury High School. Meals are served to all families with school aged children who live in Amesbury. Meals are served from 11:00 am to 12:30 pm. This meal service will continue during our Hybrid Model. Students who are in Cohort A will receive meals in school on Mondays and Tuesdays, but are encouraged to visit the high school on Wednesday to pick up their free breakfast and lunch for those days that they will be learning remotely. Cohort B will receive meals in school on Thursdays and Fridays and are encouraged to visit the high school on Mondays to pick up their free breakfast and lunch for those days. Please contact Joan Liporto, Director of Finance and Operations with any questions or concerns at liporto@amesburyma.gov or 978-388-0507.

Elementary Schools

In an attempt to reduce the time that masks are not worn in school, **our Grades K and 1** students currently in a half day schedule will not eat at school. Breakfast and lunch should be served at home and families are encouraged to visit our high school on the days and times mentioned above to access free meals.

Students in **Grades 2, 3 and 4** should eat breakfast before they arrive at school and will be served free lunch in our cafeterias, appropriately spaced “socially distant”. Students will be provided with a “Grab and Go Breakfast” for the following morning.

Middle School

All middle school students should eat breakfast at home before they arrive at school and will be served free lunch in our cafeteria, appropriately spaced “socially distant”. Students will be provided with a “Grab and Go Breakfast” for the following morning.

High School

All high school students should eat breakfast at home before they arrive at school and will be served a free “Grab and Go Lunch” which may be eaten in our cafeteria, appropriately spaced “socially distant”. Students may also take their lunch with them if they leave at the earlier time. Students will be provided with a “Grab and Go Breakfast” for the following morning.

Innovation High School

Innovation High School students will be provided with both a “Grab and Go Breakfast and Lunch”, both free to all students.

School meals are delicious, nutritious and convenient

And now school meals are **FREE** for all kids age 18 and under!

Why are school meals free?

To make sure kids have access to healthy meals as the country recovers from the pandemic

How does this benefit our school?

Each meal we serve supports our district

more meals
served
=
more school
funding

More funding means we can serve more students!

How does this benefit our families?

Spend less at the grocery store

Stress less and enjoy the convenience of not having to prepare meals

Eat better!

Research shows that kids who eat school meals consume more milk, fruit and vegetables at meal time.

Help Renovate Amesbury Softball Field

Please help us renovate the Chris Perry Softball field in Amesbury. The field lacks a functional scoreboard, protective dugouts and the pitching rubber and home plate have become dangerous. The girls should have a field that they can be proud of and continue to carry on the winning tradition of Amesbury softball!

Scoreboard	\$3,675
Infield/outfield renovation	\$4,150
Dugouts	\$4,100
Misc. / Labor	\$2,100
Total	\$14,025

AMS

Spirit Wear

STORE IS
OPEN

The Amesbury Middle School Parent Advisory Group (PAG) is excited to announce that the Spirit Wear store is now open – just in time for the holidays! The online store has been refurbished with all kinds of new items that we hope you will find useful for your child or someone on your holiday shopping list to show some AMS pride!

The online ordering system is template driven allowing you to choose your sport or activity, then add a logo or personalize with a name, team, number and more. Products will be delivered right to your home (small delivery fee).

This year-round fundraiser helps PAG support student activities throughout the school year for our middle schoolers. If your child is part of a sports team or club, you can also order items in bulk through our store and AMS PAG will benefit from these orders as well.

Check out the link below to get started shopping today:
